

The papers in this issue appeared in preliminary form at the *32nd Symposium on Foundations of Computer Science*, held October 2–4, 1991, in San Juan, Puerto Rico. The authors of these papers were invited by the conference program committee to submit completed versions to this Special Issue. All papers were subjected to the normal refereeing procedures of this journal. We thank the authors, the anonymous referees, and the other editors of this journal for their efforts in making this Special Issue possible.
